Welcome to the 2017 Season of HYOC!

This program follows the guidelines of NASP (National Archery in the Schools Program). All archers must shoot with a **standard Genesis Bow**, full length **Easton 1820 arrows** and **80 cm Targets**. HYOC has bows and arrows available for a rental fee for each session*. Archers may bring their own equipment to use, provided it meets the guidelines. We will be offering **two sessions** of Archery this fall. Space is limited, and registrations will be processed in the order they are received. All HYOC sessions will meet at Round Elementary School Gym. The dates and times are listed below. Archers in 3rd – 12th grade are welcome to register for these sessions. Archers in 4th – 12th grade are welcome to try-out for the 2018 Tournament Teams in November. Participation in these sessions is *not required* in order to try out for the Tournament Team. The State and National Tournament Team Tryouts will *tentatively* be held the first three weeks of November. Exact date and times will be announced at a later date. In late November, the Tournament Team will be announced. The 2018 Hartland Archery Tournament Team season runs from January 2018 through May 2018. For all archers that make the Tournament Team it will be MANDATORY to compete at the NASP Regional Tournament and NASP State Tournament. Once the National Teams are selected after States, it will also be MANDATORY that all National Tournament Team archers compete at the National Archery in the Schools National Tournament in Louisville, Kentucky on May 10-12, 2018. All High School Archers will be required to pay the \$47.00 "Club Sport" participation fee to HHS for both the Winter and Spring Seasons (Total = \$94.00). Physicals and waivers are also required for the High School Tournament Team members.
