Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2016-17 educational progress for Hartland Middle School at Ore Creek. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact HMS Principal Steve Livingway for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/gGC221> or you may review a copy in the main office at your child's school.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as a STATE "HAS NOT BEEN GIVEN ONE OF THESE LABELS".

We at Hartland Middle School at Ore Creek continue to work hard to meet the needs of those students struggling the most academically – often those students with special needs or those facing economic hardship – while continuing to offer advanced opportunities for those needing extra challenge. It is our mission to reach all students and help all students achieve at the highest levels possible. We continue to exceed the State average in every subject tested. While we are pleased to have an ongoing record of excellent achievement, we are continuously working to improve.

State law requires that we also report additional information:

Hartland Middle School at Ore Creek is part of a long tradition of excellence in Hartland Schools. We consistently outperform other schools and far exceed State averages in our yearly testing; we offer an excellent academic, athletic, and arts program; and we meet the individual social and emotional needs of our students through strong connections with adults. We have approximately 900 students in seventh and eighth grade, with three academic teams of four core teachers per grade. HMS offers support for struggling students – including reading and math support, co-taught classes, alternative programs, peer mentoring, tutoring, Homework Hall, and Support classes – as well as extended opportunities for qualifying advanced students including Honors Algebra, Advanced Geophysical Science, foreign language classes, and opportunities to take classes at Hartland High School. The goal of our school community is to help students succeed in all aspects of middle school.

School improvement committee continue to work on student achievements goals. The committees developed goals and strategies in the areas of reading and writing in English, science, and social studies, and math achievement.

We will continue existing efforts and expand where needed.

### **We will provide the following:**

- Challenge Day
- Peer support groups
- Support Classes
- Team meetings, IEPs, etc.
- Assemblies
- Sprigeo – website to anonymously report bullying and/or safety concerns
- Individual counseling
- Drug & alcohol awareness program
- Mental health presentation
- Visible in lunchroom, hallways, bus times, and in classrooms
- EBCE
- STAND
- Mentoring
- Personally get to know students
- ICT
- Reaching Higher
- Work with Social/Emotional Learning Coach to support

The state test scores (M-STEP) shows Hartland Middle School at Ore Creek students as scoring well compared to the state and county averages.
