Alice Lashbrook
Assistant Principal

The State of Michigan requires all students entering seventh grade and continuing in eighth grade to have the following immunizations:

All immunizations required for K – 6th grade as well as:

- 1 (additional) dose of Tdap for children 11 years of age or older upon entry into 7th grade
- 1 dose Meningococcal for all children 11 years of age or older upon entry into 7th grade

If you have questions regarding your student's immunization record please contact the Livingston County Health Department at 517-546-9850.

The following flyer is from the Livingston County Health Department:

We're Going Back to School

2017

IMMUNIZATIONS

**8:30 am until 4:30 pm every Wednesday and
until 7:00 pm on the 2nd & 4th Wednesday**

**TB Tests will be given only on
Wednesdays until 4:30pm**

Walk-in -- No appointment necessary

An administration fee per vaccine is charged. There may be an additional charge for the cost of the vaccine depending on VFC (Vaccines for Children) eligibility requirements.

Programs are available to assist those that are unable to pay. Please contact The Livingston County Health Department to see if you qualify.
