

## **Hartland Consolidated Schools MISTAR ParentPortal**

Hartland Consolidated Schools currently manages your child's educational enrollment records with a comprehensive Student Information System product referred to as "MISTAR". MISTAR is comprised of many modules. The ParentPortal module provides access to information related to your child's academic progress and educational activity. With a confidential PIN and password, you can review data currently recorded to your child's educational records on a secure web site.

The module is accessible by using either a PC or MAC computer, with your browser of choice - Internet Explorer, Firefox, etc... A specific secure URL has been established for your connectivity.

<https://zangleweb.resa.net/hartland/parentconnect>

The above URL will automatically redirect you to the new ParentPortal.

In order to receive your PIN and password, please email me at [pc@hartlandschools.us](mailto:pc@hartlandschools.us). Include in this email your full name, student names along with their current grade and building. You will receive your PIN and password **as a reply** to your original email. You should receive an automated response so that you know I have received your email. Depending on the time of the year, it may take 5 to 10 school days to receive your information due to the volume of email. Please refrain from sending multiple emails as this slows down response time for everyone.

If by chance you receive multiple PIN and passwords, please contact me by email and I will resolve this by assigning only one PIN/password for you to gain access to your child(s) account. Resolutions will be returned to you via email response.

Please keep in mind that I am available by email only to assign access and to resolve any problems you may be having with your PIN/password. Again, my email address is: [pc@hartlandschools.us](mailto:pc@hartlandschools.us) Phone calls are not accepted for the security of your child(s) information.

While viewing your child's information, if you have any specific questions about his/her academic progress please contact their teacher. Note that teachers can be contacted by email which is linked to your account. If your email address is incorrect or has changed you can login, select My Account and put in the correct email (only one email), you may even change your password if you would like.

**The PIN/password you receive will remain the same every year throughout your child(s) academic career in Hartland and will not be reassigned yearly.** Therefore, it is important to keep this information on hand for the years to follow. Also, ParentPortal closes schedule modules over the summer. Schedules for the new school year generally open up at the end of the first week of school. I certainly hope that this becomes a valuable tool for you and your child's academic success.

Thank you,

Karen Wilson  
Technology/Student Services Assistant  
Hartland Consolidated Schools  
9525 E. Highland Rd.

10/1/2012-10/31/2012

We hope you enjoy the upgrades to ParentConnect now ParentPortal. At the current time you will not find a print button within the system. We realize this feature is important to you and it will be available soon, it is the portion that is still being worked on in our upgrade. In the meantime, you can do a copy and paste into a word document. We apologize for any inconvenience this may cause. Thank you.

*The Window Into Your Student's Day at School*

Please note that we utilize the ParentPortal splash screen to keep you up to date on any important information regarding the site.

Enter your assigned PIN in the appropriate box. PIN:

Enter your password in the appropriate box (it is case sensitive). Password:

Click the **Log In** button

Upon successful login you can select your student from the available list of names.

Clicking on the module of choice - located along the left hand side of the window will gain your access to your child's information.
