## Application for Financial Assistance for Eighth Grade Trip(s)

Each year we offer our eighth grade students a number of optional activities in which to participate. Some of these activities unfortunately carry a rather formidable price tag. While we would love to help everyone in need, the reality is that funds are limited for this purpose.

In our attempt to use these funds to help those that need it the most, we would like those people that currently are facing or anticipating a financial hardship to fill out this application and return it by **January 31, 2022** in a sealed envelope to the school office or mail to:

*Lawrence Pumford, Principal  
Hartland Middle School at Ore Creek  
3250 N. Hartland Rd  
Hartland, MI 48353*

\*\*\*All information will be treated professionally and confidentially. A small committee consisting of the principal, assistant principal, and activity sponsors will review the applications and determine the assistance we can provide.
